BLUE-MUDA

As a board, the number one complaint we receive is the lack of grass on our fairways. A few years ago, we seeded four fairways with Bluegrass seed and our goal is to now do the remaining fairways. This will provide greener fairways and allow for a longer playing season.

The cost of the project to re-seed the additional fairways is approximately \$30,000. To be able to do this without an assessment or raising membership costs, we are asking for donations toward this project. We are hoping with donations from members and green-fee players we can begin the seeding this fall.

Regardless of how big or how small your donation is, please help us to make the Campbellsville Country Club the best it can be. Contact the Golf Shop for more information and to make donations. **(270) 465-3620**

We **THANK YOU** for your support in this effort.
