Dear Members,

As 2025 draws to a close, the CCC would like to extend our heartfelt thanks to each of you for making this past year such a remarkable success. Through your continued support, our club and course have undergone significant upgrades and improvements that have enhanced the experience for everyone.

Looking ahead to 2026, the Board is excited to build on this momentum and continue elevating the standard of our facilities and services. Among the projects planned are upgrading our carts to include GPS and enhancing our bunkers with fresh sand. These improvements reflect our ongoing commitment to offering an exceptional golfing environment and welcoming atmosphere for our members.

To help offset the cost of these improvements, while maintaining the outstanding value of membership, there will be a modest increase of only \$6.25 per month (or \$75 per year) beginning next season. We're proud to share that rates for our senior members aged 75 and over will remain unchanged.

In addition, we have adjusted our guest-round rates upward. This change is intended to further protect and enhance the value of your membership while helping us continue to invest in course and club improvements.

We are also delighted to introduce a special summer membership for high school and college students - a four-month program designed to give younger players the opportunity to enjoy everything CCC has to offer.

On behalf of the Board and staff, thank you again for your loyalty and enthusiasm. Your support makes CCC not just a club, but a community. We look forward to an exciting 2026 together.
